Steve Sandy began service as Joplin Junior College's first intern with the Joplin City Council Monday night. He works primarily under the direction of City Manager Don Harmon with assistance from the Council.

The internship has been created through the sponsorship of the Southwest Missouri Division of the Citizenship Clearing House which is devoted to the development of political talent among college students.

Steve was chosen from a large group of students on the basis of reliability and interest in political affairs. He has demonstrated his reliability in assuming an active part in the initiation of many first-of-the-year activities.

He is a member of the Summer Cabinet and Phi Theta Kappa, arts and science scholastic fraternity.

## Princess to Discuss The Iron Curtain

"The only real way I can be of service to our countries is to tell the Free World about conditions behind the Iron Curtain and to encourage others to protect and defend their precious freedoms." So says Princess Catherine Caradja of Romania who will speak at 8 o'clock tomorrow night in the auditorium.

Since her escape from behind the Iron Curtain in 1952, she has spent the years speaking to groups of French, English, and Americans on life as she knows it in Communist-dominated Romania. In the past four years Princess Caradja has spoken in various parts of the United States.

The public is invited and no admission will be charged.

## J.J.C. Celebrates Homecoming Today, Tonight

The traditional parade, football game, queen coronation, and dance will highlight Homecoming festivities today. A special section at the 50-yard line has been reserved for the alumni who will be introduced at half-time.

The parade will begin at 3 o'clock at Twentieth Street and proceed to First. Many former football queens will participate along with school organizations.

A dance honoring the queen and football team will take place in the College gym following the game, with music furnished by Max Brown. Admission is \$1.50 at the door except for alumni, football players and their dates, who will be admitted free.

The annual Homecoming custom was initiated in 1940 when the Student Senate originated the idea and took charge of preparations. At the first reunion, former graduates were introduced at an assembly, followed by the parade and dance which have become traditional. Victoria Evans was crowned Juco's first "Pigskin Princess" after the Lions won 13-0 over the Fort Scott gridders.

In 1941 Patty Lacey wore the

## Sit Easy Tonight; See Phi Theta Kappa

Have you purchased your stadium cushion yet? Members of Phi Theta Kappa have them available for the Homecoming game tonight. The price is one dollar.

The stadium seats, fashioned in our school colors, are air cushions which, when deflated, can be carried in one's pocket. The self-inflated cushions are made of durable plastic and will last several years. They may be purchased at the Homecoming parade or at the game.

Officers of Phi Theta Kappa are Larry Martin, Joe Wescott, Jean Ranum, Jayne Ann Bachold, Steve Sandy, and Judy Holden.

crown at the party after a Joplin-Miami game.

During the war years 1942-1945, Homecoming was discontinued, but in 1946 Mary Alice Dabbs became the first post-war queen.

Every year since 1946, Homecoming has been a part of J.J.C., and every year a queen has been crowned.

Plans for the Homecoming were formulated by the Summer Cabinet, Student Senate, and Alumni Committee, headed by President Robert Morrison.

## Eye-Ravishing Dancers to Present First Concert

Get out your activity tickets and get set for one of the most colorful groups of dancers and musicians ever to appear in this area. The famous Bayanihan Philippine Dance Company will present the season's first Community Concert at 8 o'clock Saturday night, October 14, in Memorial Hall, just across the street.

Thirty young dancers and 15 musicians will grace the stage with their five-part program including:

"Dances of the Mountain Region," featuring religious ceremonies and tributes to deities of war, marriage, victory, and the harvest; "Fiesta Filipina," showing European cultural influences on the Philippine arts; "The Muslim Suite," presenting the Arabian influence on the culture of the southern Mohammedan Filipinos; "Regional Variations," in which imitations and reflections of nature provide the mode for

worship; and the "Rural Philip-pines, Suite," dealing with the planting and harvesting of rice.

A unique feature of the group is that there is no star performer. The name Bayanihan, which means "working together," is taken seriously by the members of the company who claim it as their star.

Much research has made the company not only authentic in their representations, but beautiful and exotic as well. The group dates back to 1920 although the first performance as it is today did not take place until 1956. At the Brussels World's Fair in 1958 they received universal acclaim.

After several private performances in the United States in 1959, the Bayanihans opened at the Winter Garden Theater on Broadway to receive unanimous critical praise and to start the series of tours which gave them their fame.

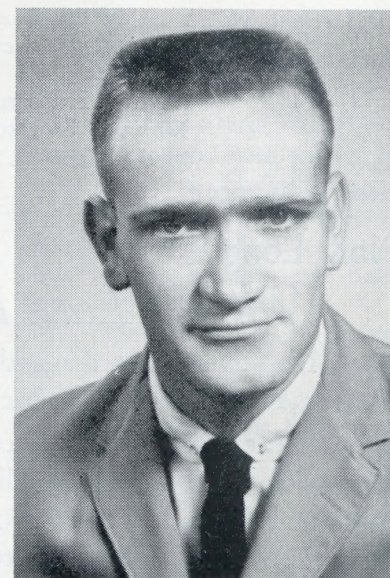

The 1961 tour, presented in response to a nationwide demand, will cover more than 60 United States cities.

## The 'Big Five' Wins Election

Bob Newberry heads the Student Senate along with four other officers elected last Friday. Twenty senators were also elected.

Other officers include Larry Sandy, vice-president; Connie Adams, secretary; Jerry Zeller, treasurer; and Jean Ranum, parliamentarian.

Bob Newberry

The campaign for office began three weeks ago with a general assembly for senate nominees. Steve Sandy presided over the meeting and each candidate was given an impressive speech by a classmate.

Soon after the assembly, posters and pictures began to appear in all available space. No primary election was held because only four of the "big five" were opposed.

The other candidates who ran for office were Susie Hurn, vice-president; Marcia Selby, secretary; Janese Hamilton, treasurer; and Judy Waterhouse, parliamentarian.

Sophomore senators elected were Delores Johnston, Larry Martin, Dave Scantlin, Leroy Tiberghien, and Warren Tune.

Elected as freshman senators were Jan Canady, Janice Fickle, Darrell Galbraith, Dana Hollingsworth, Suzanne Jamison, Jess Johnston, Nancy Koos, Judy Long, and Cheryl Martin.

Mike McCormick, Mike McGee, Judy Pederson, Linda Sawyer, Mike Storm, and Kathy Walker also represent the freshman class.

Dr. Billingsly installed the officers Monday morning.

## Total Registration Reaches High of 905

Nine hundred and five have enrolled for the fall semester. Seven hundred and two registered for the day session and 203 for the night classes. Twenty-two are special students. This is an increase of 111 over last year's day time registration.

The official tally shows a total of 240 female and 440 male students in day school with 416 freshmen and 264 sophomores. Of the freshmen, 163 are female and 253 are male. In the sophomore class, the men outnumber the women, 187 to 77.

### *Will We Leave the Job to Others?*

"No government demands so much from the citizen as democracy and none gives back so much."

As these words ring in our ears, we may be forced to turn aside a trifle shamefacedly as we recall the recent campaign and election in which no more than two candidates ran for any office. Apparently more Junior College people concern themselves with the benefits of a democracy than with the responsibilities.

Democracy means "rule of the people," "a government of the people, by the people, for the people." It means a government based on the idea that people are capable of governing themselves. Is it possible that we have become so enmeshed in conformity we forget that our student government, as well as our national government, can exist only if we participate in its affairs?

We have failed. Not only do we need a wide selection of candidates in order to make a better selection, but the candidates themselves need competition to avoid stagnate ideas and to represent many interests. However few, the candidates who did run for office should be commended for their bravery in assuming the responsibility for the masses who apparently did not want it.

But we cannot always leave the responsibilities to just a few. We cannot stand on the sidelines and say "something has got to be done." Our apathy needs to be changed into participation, not only for our own benefit, but for that of the student body as well.

## Granddaughter of Early Founder Enrolls in J.J.C. Freshman Class

Our twenty-fifth anniversary has already produced surprising results. Delving into Junior College background, we discovered that the granddaughter of one of the initiators of the junior college movement has registered in our Freshman class.

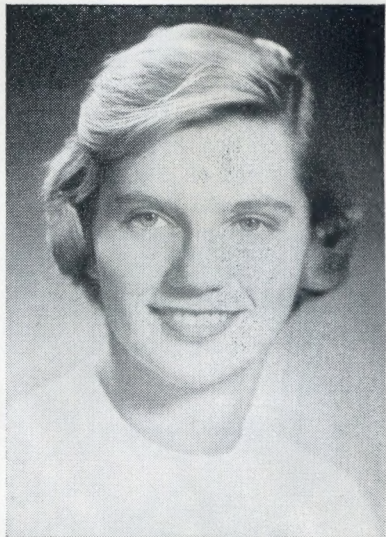

Nancy Koos is the granddaughter of Dr. Leonard V. Koos, who along with eight other men instituted a drive to foster the growth of two-year colleges.

Goodson, Denver College; George Grimm, Kansas State College; Bob Grooms, married; Patricia Hatfield, University of Arkansas; Sibyl Helton, working at Joplin Y.W.C.A.

Thomas Herrod, University of Kansas; Terry Holford, Kansas State College; Hugh Howsmon, Kansas State College; Charles Hudson, Missouri School of Mines; Mary Hughlett, Kansas State College; Galen Irwin, University of Kansas; Larry Keeling, Kansas State College; Nina Kimerer, Kansas State College; Judith Koonce, Kansas State College; Estel Landreth, Kansas State College; Leland Larimore, Kansas State College; William Livingston, Missouri School of Mines; Larry Lyster, working at Western Auto.

Carolyn McCurry, Southwest Missouri State; Frances McDowell, University of Missouri; Nancy Mapes, at home in Joplin; Bessie Sue Martin, Kansas State College; Frank Martin, Jr., Kansas State College; Nancy Merrick, Kansas State College; Sharon Miller, University of Missouri; Donald Montee, Kansas State College; Larry Moore, University of Kansas; Alice Myers, Southwest Missouri State; Alice Noltensmeyer, married; Clayton Parker, Navy; Lynn Patty, working at Fairchilds; Patsy Pelot, Kansas State College; John Pendleton, working at First National Bank of Joplin.

Nancy says that she had planned to attend a four-year college until her grandfather convinced her of the values of a junior college education.

The junior college movement really started in 1920 when Dr. Koos and his associates began their research and plans for junior colleges.

For awhile, most of their efforts were on paper, but by 1945 junior colleges had appeared in many sections of the country. In recent years, their efforts have proved fruitful with the rise in popularity of junior colleges.

Dr. Koos, well-known as editor of the "Junior College Journal," has written for many other publications. His articles have appeared in "School Review," "Illinois Education," "Journal of the American Association of Collegiate Registrars," "Proceedings," and other periodicals.

Professor Emeritus Koos teaches the winter semester at the University of Florida and lives the rest of the year at his home in Michigan where he is currently working on a book which explains "what the college owes the student" as opposed to "what the student owes the college."

Nancy, who attends college on an A.A.U.W. scholarship, plans to major in psychology.

## Joplin Edges Pittsburg 'B' Team 13-7 With Early Touchdowns

Joplin's stout defense turned back a strong Pittsburg team by a score of 13-7, September 21, at Junge Stadium.

The lusty Lions, trying to amend their defeat at Independence, Kans., last week, scored on their first series of plays in the first quarter. After steady gains from Bobby Edmonson and Wallace Carr, William "Bull" Hayes hit paydirt for the Steggmen when he plunged over from the one-yard line. Hayes' kick for the extra point was good.

of the third quarter, when quarterback Rick Seymour lofted a 14-yard pass to fullback Dave Watkins for six points. Richard Marti's kick for the extra point was good to trim Joplin's lead to 13-7.

The K.S.C. team threatened again in the early part of the fourth period when they picked up a Joplin punt on their own 43 and moved up to the Joplin 25, six plays later. But again the J.J.C. ironclads held, as the Kansans' fourth-down-pass was incomplete.

## Gridmen Beat Wentworth, 41-0 In League Tilt

The Joplin Junior College Lions downed the Wentworth Military Academy eleven, 41-0, Friday night for their second consecutive conference win of the season.

The I.J.C.C. win tied Joplin with the Fort Scott Greyhounds for the league lead.

Coach Stegge's team started off in the first period with six points and controlled the Cadets through the rest of the game. The Joplin iron-clads gained a total of 310 yards on the ground, and held Wentworth to 93 yards.

The Lions took the opening kick-off and rolled to a touchdown in the first series of plays. On the first play from their own 43-yard line, Lion sophomore halfback Bob Edmonson went 52 yards to the Cadet five-yard marker. Ronnie Phillips went over for the touchdown two plays later.

Art Cortez, a halfback, raced 50 yards for a touchdown, to start off the second quarter. Lanny Hopkins, Leonard Preddy, and Bull Hayes added three more touchdowns for Joplin to round out the second period.

Hopkins also scored again in the third quarter, when he ran 10 yards for the Lions' sixth marker.

William Hayes ended the scoring with a 38-yard field goal to make the final score, 41-0.

The loss was Wentworth's second straight.

After the junior Gorillas marched up to the Joplin 22-yard line, J.J.C. took over for the second time and scored again after some great running plays by Hayes. With 55 seconds left to play in the first quarter, the fighting halfback made four successive runs totaling 24 yards. Edmonson and Carr added five yards to reach the 50-yard line. Then Hayes eluded Pittsburg tacklers to move the ball 34 yards on the opponent's 16-yard stripe. After a 6-yard dash by Carr, quarterback Glen Graham threw a touchdown-pass to end Kenny Campbell from the 10-yard marker, with 10:59 remaining in the second period. Bull Hayes' boot for the extra point was wide to the left, to leave the score at 13-0.

Pittsburg broke into the scoring column in the last 15 seconds

The Joplin Junior College Lions will pit their top eleven against Highland, Kansas, Junior College at 7:30 tonight, in Joplin's annual Home-coming game. It will be the third conference game for Joplin, and they are trying for their fifth I.J.C.C. title.

Although Highland lost their first two outings, they will be a tough team to beat. The Scotties are hungry for the victory mark, and will go all out to break Joplin's winning streak against them. The Kansans have not defeated the Lions since 1956, when they came from behind to defeat Joplin by a score of 18-13.

Joplin has won four straight games against H.J.C. since then.

## Players Entertain Prospective Members

The College Players held their annual reception for new members September 26, in the Little Theater.

Steve Duncan, president, gave a welcome speech. Elaine West and Rickey Lou Allen explained the purposes and the past history of the organization. Don Ashworth, Larry Triplet, Bill Richardson and Carl Madden presented a skit entitled "Men Play Cards As Women Do." Monologues by Bill Richardson and Pat Gilbreth followed.

Co-sponsors Milton Brietzke and Mrs. Grace Mitchell were introduced. Refreshments were served.

## Pirates Trounce Joplin Lions

The Independence Pirates took advantage of two Joplin fumbles to help defeat the Lions by a margin of 33-6, September 16, on the Kansas gridiron. It was I.J.C.'s first win of the season.

Jim Hill, of Independence, ran 75 yards for paydirt in the opening period, and the Pirates never lost their lead.

The Lions' only touchdown came in the second period when halfback Art Cortez threw a 30-yard pass to end Eddie Zengel who raced into the end-zone for six points. Bull Hayes' kick for the extra point was no good.

## Committee Names New Cheerleaders

Fifteen sophomore and freshman girls met in the auditorium September 18 to vie for positions on this year's cheerleading squad. Dean Billingsly, Miss Venus Yount, Mrs. Shirley Wilson, and returning cheerleaders Sue Newton and Jean Ranum selected the new members.

The five freshman additions are Dana Hollingsworth, Suzanne Jameson, Sheryl Martin, Pam Plummer, and Margy Webb. Two sophomore alternates, Connie Sartain and Treva Gilstrap, were also selected.

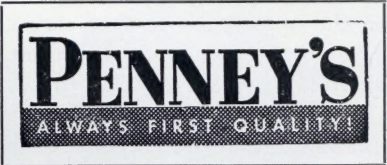

## Do You Know The School Colors?

Did you know that green and gold have been our school colors since 1938? The earliest record we have was the one and only issue of a College newspaper called "The Challenge."

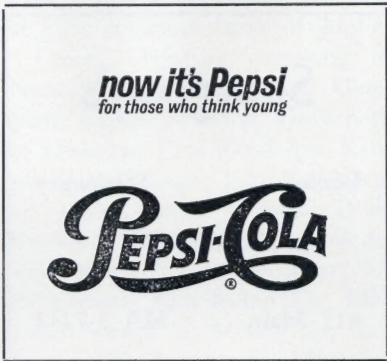

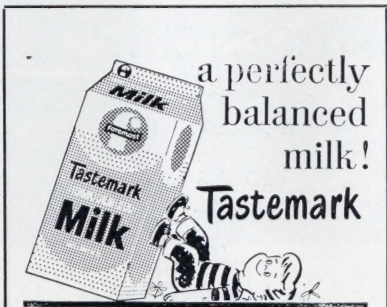

The headline reads "Green and Gold Makes Gallant Stand Against Speedy Invaders' Attack." The story recorded a home game with the Fort Scott Greyhounds.
